The Atlas® Platinum PVL10 is a 2-post 10,000 lb. capacity ALI Certified commercial grade lift designed with the professional shop in mind. The Platinum PVL10 was engineered and built with the reliability offered by the Double S column design and can be installed with the columns positioned symmetrically or asymmetrically.

The Atlas® Platinum PVL10 features three (3) stage telescoping front arms, double screw rubber/metal adapters with truck height extensions, protective rubber pads mounted to the carriage, and rubber column guards.

This product also features an ALLY Hydraulic AL2850 Power Unit. This premium power unit is certified by MET Laboratories Inc. for electrical compliance in the United States and Canada.
